Eligibility

Any Shareholder is eligible to participate in this DRP unless the Shareholder's address, as it appears in the Company's register of members, is in a country or place other than Australia where, in the Director's opinion, in the absence of a prospectus or other formality, the offer of Shares under this DRP would or might be unlawful.

Shareholders who are ineligible to participate in this DRP, may participate in this DRP with the approval of the Directors, in the Directors' absolute discretion.

Participation

Participation in this DRP is optional and is subject to the terms of this DRP, the constitution of the Company (as amended from time to time), the Listing Rules, the Corporations Act 2001 and all other applicable laws.

If a Shareholder wishes to participate in this DRP, or vary the Shareholder's participation in ways permitted under this DRP, the Shareholder must advise the Share Registry, Computershare Investor Services Pty Limited, in the manner required by the Share Registry or use such other method as is prescribed by the Directors for that purpose from time to time. As at the date of this DRP, the preferred method for advising the Share Registry is online via www.computershare.com.au/easyupdate/RMC.

Level of participation

A Shareholder may specify all or a specific number of the Shareholder's Shares, which the Shareholder wishes to participate in this DRP.

If a notification to participate or to vary participation is received which does not specify the number of the Shareholder's Shares which the Shareholder wishes to participate in this DRP, then the notification will be deemed to specify the whole of the Shareholder's Shares from time to time.

The number of Participant's Shares participating in this DRP at any point in time will be the number of Shares specified or deemed to be specified in the Shareholder's notification to participate in this DRP, as may be varied from time to time in accordance with the terms of this DRP.

Dividends paid on Participating Shares will be reinvested in new Shares in accordance with this DRP.

Operation

Subject to the following clauses, each dividend (net of Withholdings, if any) payable to a Participant in respect of Participating Shares will be applied by the Company to subscribe for Shares at the Allocation Price on the Participant's behalf.

The number of Shares subscribed for by each Participant will be the Exact Number for the relevant dividend on the Participating Shares rounded down to the nearest number of Shares.

The company is not required to repay or retain for the Participant's benefit any notional balance remaining after the rounding down of the number of Shares subscribed for under this DRP. However, if the total of the notional balances arising after the current issue and any previous issues under this DRP exceeds the Allocation Price in relation to the current issue then:

- i. the Participant is entitled to receive one additional Share and the Exact Number applicable to that Participant for that dividend will be increased by one; and

- ii. the notional balance will be reduced by the Allocation Price applicable to that additional Share.

This DRP will not operate in relation to a dividend where the Allocation Price for that dividend is less than any sum permitted by the Listings Rules for a Share or otherwise to the extent that the allotment or issue of Shares under this DRP would breach any applicable law, the Listing Rules, the Corporations Act 2001 or any provision in the Company's Constitution.

If this DRP does not operate, the relevant dividend on Participating Shares must instead be distributed (net of Withholdings, if any) in cash to Participants in the same way as to Shareholders not participating in this DRP.

Allotment of shares

Shares allotted under this DRP will rank equally with the existing Shares and must be allotted in accordance with the Listings Rules.

Changes in shareholding

The number of Participant's Participating Shares will be the number determined in accordance with the last notification under this DRP, irrespective of increases which have occurred or may occur in the total number of Participant's Shares.

If a Participant with partial participation disposes of some of the Participant's Shares then, unless the Participant advises the Company otherwise in writing in accordance with the following clause, the disposal will be deemed to include:

- i. first, all the Participant's Shares not participating in this DRP; and
- ii. secondly, some or all of the Participant's Shares which participate in this DRP (if any).

Changes to participation

A Participant may at any time by notice in writing to the Company in a form prescribed by the Directors withdraw the Participant's participation in this DRP or, subject to this DRP, increase or decrease the number of Participant's Participating Shares.

Times for notices

Notices and applications received by the Company will be effective in respect of a particular dividend if received on or prior to the first Business Day after the Record Date for that dividend.

ASX listing

The Company will promptly apply for quotation on the ASX of all Shares allotted under this DRP.

Implementation, modification, suspension and termination

The Directors may, at any time, declare that this DRP is available to Eligible Shareholders. The initial implementation of this DRP shall occur on the first such declaration by the Directors.

The Company will notify Eligible Shareholders who have not previously been given an opportunity to participate in this DRP that they may participate no more than 14 days before any Record Date in respect of any dividend where this DRP will operate. The Company will also send Eligible Shareholders who are not Participants an offer to participate in this DRP with any dividend notice in respect of future dividends where this DRP operates.

The Directors may, at any time, modify, terminate or suspend this DRP by notification on the Company's website and by notice to ASX. For the avoidance of doubt, where the Company has announced that the DRP will operate in respect of a dividend, the Company retains the discretion to suspend the DRP in respect of that dividend at any time prior to the date on which the dividend is payable.

The modification, termination or suspension of the DRP takes effect upon the date specified by the Company and the modification, termination or suspension does not give rise to any liability on the part of, or right of action against, the Company or its officers, employees or agents.

If the DRP is modified, a Participant continues to participate under the DRP in its varied form unless the Participant withdraws its participation in the DRP by notice in writing to the Company in a form prescribed by the Directors, in accordance with this DRP.

Any suspension under this DRP will continue until such time as the Directors resolve to recommence or terminate the DRP.

The DRP may be reinstated following a suspension by notification on the Company's website and by notice to ASX. Upon reinstatement of the DRP, all prior elections will be reinstated and will continue to apply until a new valid form to participate is completed in accordance the **Participation** clause in this DRP (above), unless the Company determines otherwise.

Any disputes or disagreements arising under or in relation to this DRP may be settled by the Directors in any way the Directors think appropriate. Any determination made by the Directors will be final and binding.

Costs

No brokerage, commission and other transaction cost (including stamp duty) will be payable by the Participants in respect of any allotment of Shares under this DRP.

Governing law

This DRP will be governed by and construed in accordance with the laws of New South Wales.

Delegation

If the Company's Constitution permits, the Directors may delegate their obligation under this DRP to a committee.

Set off

A Participant may not participate in this DRP where, in accordance with the Company's Constitution or any law, the Directors are entitled to retain all or part of a dividend payable in respect of that Participant's Participating Shares or the Company is entitled to a charge over such Participating Shares or over any dividend payable in respect of such Participating Shares, unless the Directors otherwise determine in their absolute discretion.
