Exit strategy

Where the loan term exceeds your expected retirement age, describe below how you would service the loan (i.e. by sale of another asset, downsizing your principal place of residence, sale of an investment property or the use of your superannuation funds).

NOTE - If downsizing or selling an investment property or other asset, please also provide details such as expected sale price, when you anticipate to initiate the sale and the anticipated funds remaining (post sale). Possible future inheritance is not considered acceptable and can therefore not be considered.

Please ensure you attach any supporting document such as your superannuation balance statement, ownership of assets etc.

Independent legal advice and/or independent financial advice may be requested if any doubt exists to the appropriateness of the above and/or serviceability of the loan past the standard age of retirement. In this event, Resimac may condition the requirement to seek independent legal advice and/or independent financial advice prior to providing you unconditional approval.

Where Resimac considers the above as unacceptable, the loan term will be reduced to within standard retirement age. In this event, serviceability will be assessed against the reduced loan term.

Business purpose declaration

I/We declare that the credit to be provided to me/us by Resimac, is to be applied wholly or predominantly for:

- Business purposes; **or**
- Investment purposes other than investment in residential property.

IMPORTANT - You should only sign this declaration if the loan is wholly or predominantly for business purposes or investment purposes other than investment in residential property. By signing this declaration you may lose your protection under the National Credit Code.
