# Why Choose Resimac

Resimac is one of Australia and New Zealand's premier non-bank lenders. We offer low interest rates with great loan features including offset and redraw. We are listed on the Australian Securities Exchange (ASX) and adhere to the ASX's strict standards on reporting and transparency.

We care about our community and our planet. We are proud to support Food Ladder, a global pioneer in the use of environmentally sustainable food technologies. We're also Carbon Conscious,

whereby a tree is planted for every Resimac loan settled. So far, we've offset over 5 million kilograms of carbon from the earth's atmosphere!

With our network of over 12,000 mortgage broker partners, you have the assurance that thousands of brokers recommend Resimac to their clients each year.

**Ask your mortgage broker about taking out a loan with Resimac, today!**
